NTA-UGC-NET: GENERAL PAPER

(Important Books Directory)

NTA-UGC-NET is the eligibility for the post of Assistant Professor in college and university campus. This is one of the most difficult examinations conducted in India. The syllabus is so wide thus an aspirant has to cover all the dimensions of each unit from different sort of authentic books.

An important book can make a difference in result. As there is so lack of authentic material in the market for the preparation of the examination. Many times an aspirant finds a few pages valuable in a particular book for this highly competitive examination.

Moreover, the problem becomes bigger when there is a short time to prepare.

According to his experiences and knowledge about this examination, the author has written down a very needful and important book directory in a very short and simple manner to assist the aspirants to crack the NTA-UGC-NET/JRF /SLET (General Paper).

This book can also be helpful for those who are preparing for Research Aptitude Test (RAT) for Ph.D. programs for (General Paper) in different universities of the country.

Best Wishes for the Examinations!

Introduction

As the market is full of the books for preparing the NTA-UGC-NET examination. With the advice of your lecturer, senior or subject expert, you must choose the authentic book written by subject expert. The authentic books save valuable time, clear concepts and present almost all necessary content in an error free way.

Important books for NTA-UGC-NET (General Paper)

As I recommended earlier that no single book can cover all contents in it. In my preparation time I used multiple books for a single unit to be covered. Many of those book were found not useful while some of them were quite necessary. After qualifying the NTA-UGC-NET also, I observed that many new and good books are also available in the market. Overall here, I would like to suggest you some important books for the preparation. Note Making Suggestion

Definitely, the habit of note making can raise your success ratio in the examination. It will boost your concentration in the study. You must prepare your own notes by writing, underlining, recording and highlighting the main facts. In revision time, these your own notes will reduce the stress and finally you can revise whole syllabus in few days. If you can make your own questions in your written notes you can secure distinguished percentage in the merit. Making notes is always a successful strategy for the examination.

Author's Note for Review

Thanks for buying and reading this book.

I tried my best to provide you various important and helpful books knowledge in a directory form in this valuable book in a very concise way according to my experience and understanding.

I believe, with the help of these books and knowledge the aspirants will get sure success in NTA-UGC-NET/JRF/SLET (General Subject).
